

## **Mission Statement**

The Library's Statement of Purpose is: The Strawberry Point Public Library is to select, organize, preserve and make freely and easily available to the people of the community and surrounding area printed and other materials, within limits of space and budget, which will aid them in the pursuit of education, information, research, recreation, technology, culture and in the creative use of leisure time. We endorse the Library Bill of Rights and the Freedom to Read Statement as guidelines for the library practices.
